Is the Other simply a symptom of trauma, an imaginary creation that serves to guide and help the hapless Westerner. For those

of you who are not subscribers, there is plenty of material on this web site to focus on that will help you clear up your relationship with your self without having to understand the more metaphysical aspects of this life experience. In the case of streaming video, this can be infuriating to the user-fits and starts in the stream-and, for you, a never-ending source of headaches over which you have little or no control-that is, until .
