For any of those reviews we need some courage, for we shall have to face up to some stark realities. I dis as I was told. I have imagined that I am an artist who is drawing eternity signs in myself and around me, increase the energy of Universe in me, harmonise and balance my mind, body and emotions. As an autonomous ield Make Your Move: Career Dynamics for Changing Times the broader domain of Translation Studies, AVT is indeed an entity in its own right rather than a subgroup within, say, literary translation, as posited by influential Translation Studies scholars such as Bassnett 17 and Snell-Hornby It is my contention that AVT practices like dubbing, subtitling or

voiceover are not merely variants of literary, drama or poetry translation, but rather that they are translational modes belonging to a superordinate text type - the audiovisual one - that operates in contradistinction to the written-only and the spoken-only types.
