**Physics-based compact modeling and parameter extraction for InP heterojunction bipolar transistors with special emphasis on material-specific physical effects and geometry scaling: Dissertation**

It is an educational option that, by design, cannot increase students' odds of beating the circumstances of their birth If we have a shitty credentialing system, in the case of for-profit colleges, then it is likely because we have a shitty labor market.

**Fragmentation of Molecular Clouds and Star Formation: Proceedings of the 147th Symposium of the International Astronomical Union, Held in Grenoble, France, June 12-16, 1990**

I am so happy with this refreshing book. However, God promised that things would change.
