Speaking of Cats

Compte rendu: Martin Wittek, dans Scriptorium,p.

Teenage Mood Swings

A complete litany of McWhorter's logical fallacies and unjustified dismissals would rival his book in length. It is scarcely possible to conceive of darker views of Providence,

short of a Manichaeian repudiation of the God of the physical universe as an evil being, than those which are boldly set forth in the opening verses of the elegy; we shudder at the awful words, and shrink from repeating them, so near to the verge of blasphemy do they seem to come.
