## **LASER LIGHT DYNAMICS**

Such scholarship can not be said to antedate the seventeenth century, and the first two centuries of study of the romances of chivalry were devoted almost exclusively to their bibliographical problems. More important, the expedition to Abyssinia shows that even at the turn of the century of Marlborough's Corps could afford to provide troops for almost any emergency. The same men who stood guard at Addis Ababa during December had landed at Beirut, Syria, in September to protect the American college from rioting Moslems.
