## **Killing Crows**

In opposition to the vertical hierarchy, or pyramid-like structure of creative agency that positions the artist at the peak, as the sole creator, and appends the curatorial and education staff as mediators whose function is to transfer and translate the message that is embedded in the artwork for a general audience, it is now necessary to embrace an alternative model where creativity is distributed more openly and the artist collaborates with curators, mediators, and the public to co-produce the realization of an aesthetic proposal within a collective and reflexive context. Unnatural Creatures edited by Neil Gaiman, Maria Dahvana Headley Ages 13-up The 16 stories that comprise this anthology all feature fantastic creatures that exist only in the imaginations of the authors

and readers.
